Product: Rescue stretcher
Type: RsqTec TURTLE **wind** pro

Product description:

The RsqTec TURTLE **wind** is a versatile rescue stretcher designed for the safe transport of injured persons in a horizontal, inclined, or nearly vertical position. It features a flexible harness system with padding, head support, and a textile cover for optimal protection, numbered and color-coded straps for easy handling, as well as tie-down straps and optional leg support for maximum stability. The stretcher is certified according to DIN EN 1497:2007 and DIN EN 1865-1:2015 and can be adapted to various operational angles.

Technical data:

Product application	RsqTec TURTLE wind pro
Rescue stretcher retracted	1100 x 620 x 150 mm / 9.4 kg 43.3 x 24.4 x 5.9 in / 20.7 lbs
Rescue stretcher extended	1700 x 620 x 150 mm / 9.4 kg 66.9 x 24.4 x 5.9 in / 20.7 lbs
Carrying bag sealed	1150 x 700 x 180 mm / 11.8 kg 45.3 x 27.6 x 7.1 in / 26 lbs
Carton packed	1200 x 800 x 200 mm / 14.8 kg 47.2 x 31.5 x 7.9 in / 32.6 lbs
Nominal user load	140 kg / 309 lbs
Certification	DIN EN 1497:2007 DIN EN 1865-1:2015
Conformity	ANSI Z359.1-2007 (Full Body Harnesses, Type III) ANSI Z359.12-2019 and CSA Z259.12-16 (quick-release buckles)
Duration of use	10 years
Duration in vacuum-packed condition	16 years (with annual vacuum inspection)
Temperature range	-40°C to +60°C / -40 °F to +140 °F
Application areas	Rescue from confined spaces, Height and depth rescue, Rope and air rescue, Rescue in hard-to-reach areas, Industrial accidents, Evacuation during natural disasters, Emergencies in urban environments, Military or tactical missions, Traffic accidents
Key facts	<p>Protection: Padding, head restraint, textile enclosure, chest & shoulder straps for secure fixation</p> <p>Handling: Fully openable buckles, easy-to-use leg support, flexible arm positioning, numbered buckles</p> <p>Stability: Crossed lashing straps, color-coded straps & O-ring leg fixation</p> <p>Transport options: Horizontal, inclined, nearly vertical, multiple adjustable angles</p>
Item number	200260 (sealed set)
Customs tariff number	63072000
